

He's gonna work it out

//: Hold your head up high, wipe your eyes,
God is gonna work it out,
You hold on, keep the faith,
God is gonna work it out,
The road is rough, the valley's are low,
The mountains maybe hard to climb,
God's gonna work it, He's gonna work it out. ://

//: He's gonna work it out, He's gonna work it out for you...
God's gonna work it, He's gonna work it out! ://

//: He's gonna work it out! ://

//: Work it out! ://
