

## **How I got over**

*text solist*

//: How I got over how I got over, how I got over how I got over  
My soul look back and wonder how I got over ://

Just as soon as I see Jesus, the man who made me free  
He was the man that bleed and suffer, who died for you and me

I wanna thank him because he brought me  
Because He taught me, I wanna thank God because He kept me, cause he left me

I wanna sing hallelujah, I might shout this evening trouble over  
I'm gonna thank jesus for all he's done for me

//: Oh yell, how I got over, over  
My soul look back and wonder how I got over ://

I wanna wear a diamond gem, in the new Jerusalem  
I wanna walk the street of gold in the homeland of the old

I'm going to view the host in white who travel both day and night  
Coming up from every nation on the way to the great carnation

I wanna sing hallelujah, I might shout this evening trouble over  
I'm gonna thank jesus for all he's done for me

//: Oh yell, how I got over, over  
My soul look back and wonder how I got over ://

Over...

//: My soul look back and wonder ://  
how I got over
