Children Of Tomorrow

Get up and go, stand up and shine,
go on and show this is your life
Get up and sing, girl be proud,
go spread your wings and learn to fly

We're the children of tomorrow,
we're the kids who'll make it right,
We're the children of tomorrow

Africa

It's gonna take a lot to
drag me away from you
There's nothing that a hundred men
or more could ever do
I bless the rains down in Africa
Gonna take some time
to do the things we never had

Marching For Love

Ev'rybody raise your hands
we're singing this song out of love

Ev'ry boy and every girl,
raise your voice and show the world

We're marching, marching for love oh-oh-oh...
Marching, marching for love oh-oh-oh...
Ev'rybody raise your hands
we're singing this song out of love
(All around the world)

Marching, marching for love
We're marching, marching for love

Love – marching for love,
marching for love, for love

En stund på Jorden

Na, na, na, na

Jag såg hur vi var stjärnor,
som landat i havet
När vi tog första stegen
ifrån oceanen.
Det slog mig den gången
när vi vadade fram genom vattnet.

Jag la mig på marken och tackade himlen
Att vi fick stiga på land,
att vi fick känna på sanden
Nu kan vi säga att vi har varit på Jorden

Ja, jag var där, hur underbart var det,
underbart var inte det
Jag var nära, jag var nära
jag var nära, jag var där
En stund på jorden, en stund på jorden
Jag var nära, jag var nära
jag var nära, jag var där
En stund på jorden, en stund på jorden
.....på jorden

Voices

Can you hear a million voices
calling out in the rain?
You know we've got a million choices
So go get out and let it rain

A million voices voices
A million voices, voices
A million voices, voices
A million voices
