

## **A Star For Life**

**You can be a star for life  
You can be a star for love  
You can be a star for hope  
You can be a star for life**

**You can be a star for love....**

**You can be you can be  
Anything that you want to be yeah  
You can be you can be  
Anything that you want to be yeah**

**...imagine all the people  
living life today**

**You can be a star for life....**
