

# Listen To Your Heartbeat

*(Refr)*

**//: Early in the morning  
Daytime and the evening  
Listen to your heartbeat  
Every little moment of your life ://**

*(Vers)*

*I ask my brother and my friends I've got something on my mind  
There are a lot of things I cannot understand  
And I listen to the preacher and the words he sends  
They are all so well combined The teacher says my future is all planned*

**All you need...  
Listen to your heartbeat**

*(Vers)*

*I think my life is about to change I can see a future... **see a future rise**  
I always want to keep eyes opened wide **You'd better keep eyes open wide**  
And I can also see it coming, within the range It makes me feel al... **makes me feel alright**  
I want to lead my life, don't want to stand aside*

**All you need...**

*(Refr)*

**//: Early in the morning  
Daytime and the evening  
Listen to your heartbeat  
Every little moment of your life ://**

*(Mellanspel)*

*(Vers)*

*I decide to make each day a new start and live my life so true **Oh oh oh**  
I decide to give my love and to be real **To give my life and to be real**  
And I decide to listen to my heart I think I've got the clue **think I've got the clue**  
I'm confident, I trust what I feel*

**All you need...  
Listen to your heartbeat  
All you need...**

*(Refr)*

**//: Early in the morning  
Daytime and the evening  
Listen to your heartbeat  
Every little moment of your life ://**

*(Solo)*

*(Vers)*

I decide to make each day a new start

**All you need...all you need...all you need**

*(Refr x ggr)*

**//: Early in the morning  
Daytime and the evening  
Listen to your heartbeat  
Every little moment of your life ://**
